Rebekah,

I could be mistaken, but I thought Rebecca Sugerman had already routed for internal review and that there were no issues with the contractor/SEE NDA, only the EPA NDA? If you have a way to contact Rebecca to confirm, I hoping it might be possible to move forward on the contractor NDAs sooner than the 29th?

Steven, I just got an out of office message from our contract/procurement specialists who I previously worked with on approving this form to send to our contractors. He is out until the 29th. While I don't anticipate any problems, he needs to review this form.

Rebekah,

Redline attached. Primary change is to reference AOC and make applicable to everything under AOC instead of just the tank upgrade task order. Scoping meetings will be covering all of the AOC/SOW sections, not just the tank upgrade section. I am available to discuss.

Hi Steven,

Today is my first day back in the office.

I have to step out for a minute but I will review these documents as soon as I return. In the meantime, can you please highlight what has changed since the contractors signed the last version?

I will need to run the changes by our contracts folks so I think getting these signed today would be very ambitious. As you know, our existing contract with our contractor does cover release of documents and the conflict of interest statements in the last executed NDA seem like they could be broad enough to cover today's meetings. I am therefore unclear what the urgency of finalizing this document today is.

Rebekah,

Understand you are back in the office today, attached is the final NDA for contractors, it was my understanding that EPA concerns were limited to the EPA employee documents and that there were no concerns with the contractor documents. 2 of the contractors are supposed to participate in today's scoping meetings, could you discuss with Tom Huettelman and get signed copies to Jimmy? I am available to discuss. We are ok with EPA employees proceeding at this meeting without having final signed NDA's from them but feel that it is important to have the agreements from contractors since they are not directly subject to Ethics & Procurement statutes & regulations.

Marie,

I'm forwarding to you the latest revised drafts of the Non-Disclosure Statements (NDS) for EPA employees, EPA contractors, and EPA SEE. It appears that both Rebecca Sugerman and Rebekah Reynolds are out of the office for the rest of the week, although Rebecca said that Rebekah will return next week (her out of office says she returns on November 2, 2015, though). These forms need to be signed by the three classes of EPA affiliated people who will be attending the Red Hill AOC scoping meetings starting next week. Could you please provide the EPA legal review and let me know if the revised documents are acceptable? The latest revisions are relatively minor, and Rebecca had no comments on the drafts prior to these revisions.

I believe Steve Daugherty will be back in the office tomorrow, so he should be able to continue the discussion on these NDS documents, as may be necessary. Thanks for your assistance.

Rebecca,

Thanks for coordinating with Wade and the State. I saw an email from Steve mentioning that you planned to provide by last week some minor comments on the Non-Disclosure Statement forms for the EPA employees and EPA contractors. However, I didn't see an email with your comments. Did you provide comments to Steve and, if so, could you please send them to me? I have a few revisions on the forms that I will send you later today.

Thanks for your help.

I will reach out to Wade. He and I started this conversation bit, he had said that he does not work directly with the folks who represent DLNR. He said he would contact that division and try and get the name of the appropriate attorney.

Hi Rebecca,

For State DLNR employees that will be participating in the scoping meetings, Steve Daugherty proposed using a memorandum similar to the attached guidance previously issued by Wade for State DOH employees. However, the form of the memorandum needs to be revised to apply to DLNR employees vice DOH employees. Also, the DLNR employees may need to have the memorandum issued to them by a State of Hawaii Deputy Attorney General that is different from Wade. Could you please check with Wade on making the appropriate revisions to change the type of State employees and replacing Wade's name with the name of the appropriate attorney, if required? Thanks for your help.

Rebecca,

As discussed, attached is the guidance previously issued by Wade for DOH employees. I think that we can probably continue to use this for DOH and that a similar approach should work for DLNR. It will not work for the BWS however because they do not receive their legal advice from the State AG's Office. The direction could be improved by specifically referencing the final AOC and section 10(d) of the AOC, but I don't think it is necessary at this point unless other's disagree.
